

Dr Randy Poon, professor at the Division of Life Science, the Hong Kong University of Science and Technology

Randy Yat Choi Poon is a Professor at the Division of Life Science, the Hong Kong University of Science and Technology. Dr. Poon was educated at Tonbridge School and received his MA degree from St. Catharine's College, the University of Cambridge. He then studied a PhD degree at the University of Cambridge and Cancer Research UK with Tim Hunt, FRS. Dr. Poon conducted postdoctoral training at the Salk Institute at La Jolla, San Diego with Tony Hunter, FRS. His team's research interests focus on understanding the molecular basis of cell cycle control in normal and cancer cells, as well as to identify molecular targets that can be developed for anticancer therapies.
